# Campus Leader Transition Process

## Get Elected in Your Chapter

### CONGRATULATIONS ON YOUR NEW ROLE!!

Election specifics will vary by chapter, but once you have assumed a chapter officer position, either by being acclaimed into the role, or by being elected we have a few steps you'll need to take to make sure we're getting you all the information you'll need.

## Register as a Campus Leader

### HELP US TRACK THE IMPACT OF INVOLVEMENT

You might have done this before your election, and that's fine. You might have done this after your first election, or when you first wanted to be involved. That's also fine. We only need the form once, regardless of how awesome you are or number of positions you hold

## Submit the Campus Leader Transition

### THIS TELLS US WHO WE SHOULD BE CONTACTING

We can only communicate chapter information with registered leaders, so you'll want to ensure we have this form as soon as elections are over. Otherwise, we might send information to the person who held your office before you.
